

1.)Char-lie's been out of work for al-most a year,
 Af-ter twen-ty he lost his com-pu-ter ca-reer,
 Now he feels de-pressed,
 like he's not worth a cent,
 He went from com-pu-ter pro-gra-mmer
 to un-em-ployed gent.

CHORUS:

He's been out-sourced;
 he's a Di-spo-sa-ble Guy,
 He's been forced out of the work-place;
 feels like he could die,
 He's been out-sourced;
 his e-go's right on the floor,
 He helped train the guy
 who took his job to Ban-gal-ore.

2.)Char-lie thought he'd pro-gram
 the rest of his life
 Ear-ning good mo-ney for his son and his wife,
 Now this is what the com-pa-nies say,
 Oh, we can't make a pro-fit in the U-S of A. _

CHORUS: He's been out-sourced...

BRIDGE:

When jobs di-sa-ppear,
 a-mid the con-fu-sion,
 the church and big bu-siness
 in a qui-et co-llu-sion,
 work to a-pply a re-li-gious pa-ti-na,
 not yet hi-ding a sy-tem
 gro-wing
 mea-ner and mean-er.

CHORUS LAST:

We're all di-spo-sa-ble.
 We're all di-spo-sa-ble.
 We're all di-spo-sa-ble.
 That ain't no lie.
