CHORUS:

All day, all night, Ar-nie-man.  
Ma-king Ca-li-for-nia, our pre-cious land,  
in-to his big play-pen,  
by sleight of hand.  
You can not trust him,  
do not vote for Ar-nie-Man!

He tells lies, he can-not act, it's plain to tell,  
si-tting through his mo-vies, well it's just like hell.  
With his cree-py grin,  
you know he thinks he's swell.  
Wea-ving his de-cep-tive lies,  
his sli-my spell.

CHORUS: All day, all night,...

Ar-nie said he'd ne-ver do "pay for play".  
'I don't think it's fair, and it's just not my way'.  
Now he's raised more mo-ney  
than Gov-'nor Grey,  
buil-ding up his bank a-ccount,  
day by day.

CHORUS: All day, all night,...

Co-ming this No-vem-ber is e-lec-tion day.  
If we don't de-feat him there'll be hell to pay.  
Don't fall for his glitz and hype,  
that's not the plan.  
You can't trust him,  
do not vote for Ar-nie-Man.

CHORUS: All day, all night,...
