

ARNOLD, UNION ORGANIZER 305
vers: 1B
w: Hali Hammer
m: Solidarity Forever/Battle Hymn of the Republic

My eyes cannot believe that when
they're open and aware
Conan's in the capitol a-ruling from his lair
Then I recall the recall & I realize he's there
But he makes the Unions strong!

'Cause he's so far off the mark that he is
rallying the throng
And the unions work together
to protest what he's done so wrong
We'd like you all to join in
as we celebrate in song
How he's made the Unions strong!

CHORUS:
Arnold, Union organizer,
Arnold, Union organizer
we are sadder but we're wiser -
you've made the Unions strong!

He has groped his way to power
'cause it's power that he knows
He had closed the borders of his heart
so many years ago
He'll do anything to stay on top,
treats all as friend or foe
So he's made the Unions strong!

CHORUS: Arnold, Union organizer, ...

But he has gone too far with nurses,
feeling second-rate
Calling teachers "special interest"
when that's just what they hate
Disrespecting groups who represent
the backbone of the state
So he's made the Unions strong!

CHORUS: Arnold, Union organizer, ...

Single Payer 18
w: Arnie Passman, (mod.B.Gilbert)
m: Solidarity Forever

CHORUS:
Single payer care for all now
Insurance comp'nies got to fall now
They're driving patients to the wall now
Single payer is the way

In Prince Rupert and Havana
There's a way of staying well
It ain't at all expensive
Not like U. S. health-care hell
Whose HMOs and ER woes
emit a sulfur smell
Single payer is the way

CHORUS: Single payer care for all...

They drive you mad with T. V. ads
That itemize their skills
They'll dump you on a skid-row curb
If you can't pay your bills
They court you when you're healthy
And discard you when you're ill
Single payer is the way

CHORUS: Single payer care for all...

Doctors paid like robber barons
Auditors who lie
Ped-dl-ers of pills whose prices
Truly terrify
The system's working perfectly
They'll bleed us till we die
Single payer is the way

CHORUS: Single payer care for all...

When Obama was a nobody
He seemed to understand
Now that he's the president
Somebody tied his hands
It's time we marched on Washington
To spell out our demands
Single payer is the way

Single payer care for all now
Insurance comp'nies got to fall now
The system's really hit the wall now
Single payer is the way

It is we that plowed the prairies
built the cities where they trade.
Dug the mines and built the workshops
endless miles of railroad laid.
Now we stand outcast and starving
'midst the wonders we have made.
But it's the Union, yeah, the Union, makes us strong.

When the workforce opened up and
we women were of use,
We were paid half the wage of men
and took twice the abuse,
Alone we didn't stand a chance,
but we paid our union dues,
Now the Union, yeah, the Union, makes us strong.

CHORUS
Solidarity is global (x3)
For the Unions make us strong!

How can we fight the riding tide
of global corporate greed?
They've downsized us, and laid us off-
shipped factories over-seas !
But workers have the power
to-win-a Global Victory-
Now the Union, yeah, the Union, makes us strong.

The global corporations
got their thumb in every pie.
They control the economic life
of you and I (needs more words here)
Down with Nafta; down with Gatt;
support the little guy.
Now the Union, yeah, the Union, makes us strong.

Mattel and Has-bro gave
U-S workers quite a blow.
Kicked them out and moved their plants
to Thailand and Mexico.
Boycott Sweatshop Barbie,
don't give those pigs your dough.
The Unions, yeah, the Unions, make us strong.

G. M. and Toy_ota
dumped their Nummi employees,
California's lasst car plant
went South and overseas,
to maximize their profits,
no job left for you and me,
but in Union, we are strong. (w: Susan Schacter).

Corporations close their plants
and fire employees
Squeeze profits from communities
at home and overseas.
But if we stand together,
we can bring them to their knees
In Union we are strong. (w: Bernard Gilbert)

1.) When the Union's inspiration
through the workers' blood shall run,
There can be no power greater
anywhere beneath the sun,
Yet what force on earth is weaker than
the feeble strength of one,
But the Union makes us strong.

CHORUS

Solidarity forever, solidarity forever,
Solidarity forever
for the Union makes us strong.

2.) They have taken untold millions
That they never toiled to earn,
But without our brain and muscle
Not a single wheel can turn;
We can break their haughty power,
Gain our freedom when we learn
That the Union makes us strong.

CHORUS: Solidarity forever,...

3.) In our hands is placed a power,
Greater than their horded gold,
Greater than the might of armies
Magnified a thousand fold;
We can bring to birth a new world
From the ashes of the old
For the Union makes us strong.

CHORUS: Solidarity forever,...

4.) What is there we hold in common
with the greedy parasite,
who would lash us into serfdom
and would crush us with his might?
Is there any thing left to us
but to organize and fight?
For the Union makes us strong!

CHORUS: Solidarity forever,...

5.) All the world that's owned by idle drones
is ours and ours alone.
We have laid the wide foundations,
built it skyward stone by stone.
It is ours, not to slave in,
but to master and to own.
While the Union makes us strong!

CHORUS: Solidarity forever,...

6.) It is we that wash the dishes,
scrub the floors and chase the dirt.
Feed the kids and send 'em off to school
and then we go to work.
Where we work for half the wages
for a boss that likes to flirt.
We will make_ the Union strong!

CHORUS: Solidarity forever,...

7.) There are women in the workplace,
They are smart and they are strong.
They work hard for lower wages
and we know that this is wrong!
They're your mothers and your daughters,
Standing equal by your side
And the Union makes us strong! (J.Davis)
